

ANIMAL TESTING

Animal testing on finished cosmetic products has been banned in the EU since 11 September 2004.

Animal testing on ingredients or combination of ingredients for cosmetics has been banned in the EU since 11 March 2009.

Just a Soap confirm that to our knowledge none of the ingredients and products we supply have involved testing of any sort on animals.

No testing on animals has been conducted at the initiative of our company or on our behalf.
